The Jenks Middle School Student Council is hosting this year's Spring Leadership Summit. The event will be held in the Math and Science Building on the main campus of Jenks Public Schools at 201 E "B" St in Jenks starting at 9:00 a.m. Our workshop facilitator is a nationally known FCA leader, Mr. John Talley. Students will rotate between leadership skills training and a special presentation in our "state of art" Planetarium. Lunch and team building will be held at Incredible Pizza. This annual event has proven to be popular. Because of limited seating in the Planetarium, we can only accommodate 150 students per show, so we are limited to 300 participants with two seatings. Registration is taken on a first come first serve basis. Registration closes when we reach 300. I encourage you to register soon to attend this years Spring Leadership Conference. You will also have the opportunity to meet and network with STUCO Sponsors from around the area. Please do not hesitate to call or e-mail me if you have any questions, concerns or comments. Looking forward to seeing you on May 8th in Jenks.

Sincerely,

Larry Ravenscroft, Executive Director OAMJHSC
